Customers of Safety & Buildings,

For the safety and security of our customers and to improve efficiencies in our offices, we have made a change in our plan submittal process related to fee payments made by check. The process has not changed if you pay by invoice.

Effective April 1, 2012, the process for submitting plans and payments to Safety & Building for Plan Review services is as follows:

- 1. Plans will be submitted to one of the state offices providing this service as usual.**
- 2. Mail your check and the completed payment voucher (the last page of the application form) to:**
DSPS Fiscal Plans
PO Box 8602
Madison WI 53708-8602
- 3. Send a copy of the completed payment voucher (the last page of the application form) along with your plan submittal documents to the office that you select.**

For plans that may be in the mail at this time with check payment attached, we will process as usual. We ask that you incorporate the new process with your next submittal.

We appreciate your business and thank you for your assistance in implementation of the new process.

If you have any questions about this new process, please contact the plan entry staff in any of the Safety & Buildings offices.

APPLICATION FOR REVIEW ELEVATORS, ESCALATORS AND RELATED CONVEYANCES

-Complete both sides-

Safety & Buildings Division
141 NW Barstow St
Waukesha, WI 53188-3789
Phone: (262) 548-8600
Fax: (262) 548-8614

Please type or print clearly. Information on this form is important for providing you with timely and efficient review of your project. Complete submittals prevent delays in processing and reviewing your project. Except for Emergency Repairs, no work may commence until approved. See Comm 18.1009(1) and Comm 2.15.

Scheduling Review: Your plan will be reviewed in the order it was received or you may schedule the review. To schedule, fax completed form to (877) 840-9172 or e-mail to PlanSchedule@commerce.state.wi.us. You will receive a confirmation letter with an appointment date. Plans must be received in this office no later than 2 working days before the confirmed appointment.

10. Information Required with Application**New installations – Conveyances Installed In or At Commercial Buildings**

- At least 3 copies of this completed application with plans or shop drawings (plan sets must be **stapled** together as a set) showing the following:
 - For elevators, platform lifts and stairway chair lifts, a plan of the car, hoistway or runway and machine room showing all clearances, including all inside car or platform dimensions specified in chapter Comm 62.
 - For elevators, platform lifts and stairway chair lifts, a section through the hoistway or runway, machine room, pit and car or platform showing all applicable dimensions. All landings shall be clearly shown indicating types of hoistway or runway doors or gates used.
 - For elevators, escalators and moving walks, a complete dimensioned layout of the machine room or machinery space including working clearances around machine, controller and disconnecting means showing dimensions to walls and equipment.
 - For elevators, the size and weight per foot of guide rails and details of their support, including reinforcement where required.
 - For platform lifts and stairway chair lifts, a copy of the architectural plans showing landing areas with clearance to adjacent walls or other obstructions.
- A copy of a letter from the State of Wisconsin, Safety & Buildings Division, a certified municipality or other approved plan review agency verifying that the building construction or alteration plans have been approved. Approval may be from the Department of Health and Family Services for medical facilities including hospitals and nursing homes.
- Indication of Review by Building Designer. The equipment shop drawings shall be stamped with the building designer's (architect's) shop drawing stamp and signed. In lieu of a shop drawing stamp, a statement of approval with the building designer's original signature may appear on the drawings. At least one set of shop drawings must contain an original stamp or statement and signature, not a photocopy.
- The appropriate fee.

New Installations – Elevators and Dumbwaiters Installed In or At One- or Two-Family Dwellings

- At least 3 copies of this completed application with elevator or dumbwaiter plans or shop drawings as in 1. above for new installations in or at commercial buildings.
